

Interview with a Demonologist

Thursday, 29 November 2007

At the Paranormal Insider , and interview with Keith Johnson, a Demonologist. What does a Demonologist do? He deals with demons, he is "someone who makes a study of the activity, nature and history of demons, and is at least somewhat skilled in the practical application of this knowledge to apply this knowledge, hopefully in a positive aspect — i.e. in the protection of self and others."
